(nectarine)

Dear Ms. Maignan,

On behalf of the growers in the State of Maryland the Maryland Department of Agriculture (MDA) hereby requests EPA to re-certify, Specific Exemption under Section 18 of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA). This would again allow growers in Maryland to apply Brigade WSB Insecticide/Miticide (EPA Reg. No. 279-3108) manufacture by FMC Corporation, as well as, Bifenture EC Insecticide (EPA Reg. No. 70505-57) and Bifenture 10DF Insecticide (EPA Reg. No. 70506-277) manufactured by United Phosphorus, Inc. We are requesting this action pursuant to Title 40 CFR, §166.20(b)(5).

MDA will under the authority of the Maryland Pesticide Applicator's Law and FIFRA, ensure that the use of these pesticides under this exemption are in compliance with all requirements specified by EPA in approving this recertification request.

Attached, please find Letters of support and draft Section 18 labels from the Registrants (FMC and United Phosphorus, Inc.) for these requested uses.

RE: Section 18 Letter of Support

Dear Mr. Butler:

As the registrant for Brigade WSB Insecticide/Miticide (EPA Reg. No. 279-3108), FMC fully supports the proposed renewal of a Section 18 emergency exemption use of the product in Maryland and other States on apples, peaches, and nectarines to control the Brown Marmorated Stink Bug (*Halyomorpha halys*).

FMC is committed to working with IR-4 in their program to obtain Section 3 registrations for use of bifenthrin on pome and stone fruits. IR-4 conducted field magnitude of the residue trials on apples (PR 11016) and peaches (PR 11017) in 2013 and submitted tolerance petitions for these new uses to US EPA in June 2016. An Agency decision on these uses was expected in September 2017 but the EPA requested an 18-month extension of the PRIA date as they continue with the registration renewal process for the active ingredient bifenthrin. The new PRIA date for the IR-4 submission is now March 25, 2019.

Please contact me by telephone at 215-299-6717 or by email at tim.formella@fmc.com if you have any questions on this matter.

Sincerely,

Timothy M. Formella
